

## Press Release

Härkingen/Gunzgen, 15 April 2024

**RONAL Bathrooms is presenting its first four innovative modern bathroom concepts, that take new aesthetic and functional paths. The bathroom concept “Colour” offers individual yet coordinated colour schemes. All RONAL Bathrooms concepts will be unveiled by RONAL Bathrooms at the Salone del Mobile in Milan the 16 April.**

Modernity and refinement live in perfect harmony, where stylish colours and materials are optimally coordinated between the bathroom furniture with textured fronts and cabinet, shower and bath solutions. In the new furniture range, first presented at the Salone del Mobile, colour is also combined with 3d texture, in order to give three dimensionality to the surface and a very captivating look.

Colour and colour harmonization in the bathroom are an ongoing trend and are getting more and more important. This modern bathroom concept can be adapted to almost any individual life and interior design style.

RONAL Bathrooms concept “Colour”

## **RONAL Bathroom products within the bathroom concept “Colour”**

The new **RIGO** furniture from **GLASS** in two different versions. One with an integrated washbasins and one with a countertop washbasin to address different installation types. In both versions, the handle of the furniture has the same color as the countertop, which creates a harmonious look.

**AMALIA** shower enclosure in combination with the **AIR** shower tray **by RONAL**, where the color of the shower tray is adapted to the color of the new RIGO furniture.

- RIGO furniture, KAROL

Bathroom furniture characterized by a colored front with 3d texture, that gives three-dimensionality to the surface and a very distinguishing and captivating look. Available for integrated as well as for countertop washbasins solutions.

- AMALIA shower enclosure, RONAL

Frame-reduced sliding door with vertical handlebar for comfortable entry  
The elimination of the upper guide rail and very slim wall profiles create maximum transparency. Profiles available in black, silver gloss and brushed gold.

- AIR shower tray, RONAL

MineraLite shower tray with a height of only 20mm to suit every installation needs.  
Available in 22 standard dimensions, square and rectangular shapes and 3 standard colours; possible colour customization

The RONAL bathroom concept “Colour” and all other RONAL Bathrooms concepts will be presented by RONAL Bathrooms at the Salone del Mobile in Milan the 16 April, Hall 06, Stand D25.
