

Press Release

Härkingen/Gunzgen, 15 April 2024

RONAL Bathrooms is presenting its first four innovative modern bathroom concepts, that take new aesthetic and functional paths. The unique bathroom concept “Metal” is transferring the interior trend of metallic surfaces into the bathroom. All RONAL Bathrooms concepts will be unveiled by RONAL Bathrooms at the Salone del Mobile in Milan the 16 April.

Metallic surfaces have been one of the absolute interior trends for some time now. In this RONAL Bathrooms concept “Metal” RONAL Bathrooms transports this trend into the bathroom by showing coordinated metallic surfaces and finishes within different product categories.

Warm metal finishes surprise with a fascinating interplay of reflections, enchant the bathroom into a sophisticated atmosphere of wellbeing. Shower area and bathroom unite in perfect harmony:

First displayed at the Salone del Mobile 2024, the new furniture collection distinguishing feature is a high front which extends beyond the top, a feature that has already been seen in high-end kitchens and is now entering the bathroom solutions. The shower enclosure takes up the clean lines and the enchanting satin metal look, while the shower tray matches perfectly the furniture top finish.
